

Temperament Test Application

Evaluation Day - Pre-training \$35

A Temperament Test needs to be scheduled to participate in Rock River Pet Resort's Daycare Program or as a means to decide your dog's next steps in training.

What to expect

In order to properly evaluate your dog and to give them a chance to settle in comfortably, we require that your dog stay with us for at least 6 hours on their first day without the presence of their owners.

Once your dog has completed the temperament test with one of our trainers, they are able to stay the rest of the day until you are able to pick them up. For daycare, IF the trainer feels that your dog is able to play with the playgroup in daycare, they will spend the rest of the day in the play group. Otherwise, they will spend the rest of the day in a kennel with plenty of water and potty breaks and some play time with our staff until you arrive. *If our trainers deem that it is best for your dog not to be a part of the play group at first, that does not mean they cannot ever join the playgroup.* With proper training, your dog may be able to slowly be introduced into the playgroup over multiple daycare sessions.

After completing the temperament test, our trainer will have a recommendation for what they feel is the best option for you and your dog going forward.

What you need to bring

Your dog's vaccination records if they haven't been here before, this application form filled out, and if they are picky on treats, a small amount of food they like.

Requirements

Dogs must be at least 16 weeks old or if 6 months of age, your dog must be spayed or neutered, and up to date on Bordetella, Rabies, Parvo and Distemper to be qualified for testing.

After 5 Structured Daycare sessions, you receive a FREE one-on-one session with one of our trainers. This way you are able to ask any questions and our trainer can walk you through what your dog has been working on and what you should be doing at home!

Please complete the form below and schedule your temperament test appointment by giving us a call!

Temperament Test Application

Owner's Name _____ Pets Name _____

Phone # _____ Email _____

Male / Female / Neutered / Spayed (Circle all that apply)

Breed _____

Age _____ How long have you owned him/her? _____

Please elaborate:

Does your dog have any sensitive body parts, places you or no one else can touch, including nails at the groomers?

Is there anything else that you feel that we should know about your dog?

I have decided to have my dog tested to participate in the Rock River Pet Resort temperament test and/or Day Care Program. I understand that Rock River Pet Resort takes this temperament testing very seriously and that the goal is for all dogs to participate in *safe* play. If following the testing I am told that my dog has not been chosen to participate, I will fully understand and accept that decision without argument. I also understand that if my dog is accepted into the program that situations and conflicts between dogs can still arise. I will hold Rock River Pet Resort harmless and not liable for any of these situations that could include my dog in the future. I also understand that at any time my dog shows a change in behavior while in Daycare that they could be removed from the program at any time by the discretion of the Rock River Pet Resort Staff.
